Dear Paul

Just thought you'd like to know that Christine Hart will be getting in touch following today's meeting of the DAC at which the Dobcross application was considered.

It was unanimously felt that it was an A* application and an excellent piece of work in every way possible. Christine will be forwarding the necessary paperwork in order to move things forward.

It really is very exciting indeed and I look forward to following developments with great interest.

Thank you for all the hard work that you and the parish have put into this project.

All good wishes

Mark

The Venerable Mark Davies
Archdeacon of Rochdale
