Graham,  
Thank you – all is well – we are very pleased with the end result following initial concerns as to the positioning - but your two lads could not have been more helpful – please thank them on our behalf. We look forward to receiving the track fittings etc.  
Thank you again,  
Regards,  
Tony

Good morning Tony,

All seems to have gone well with the Corona and Installation works.  
Hope all are happy with the end result.

Grant has asked me to supply a couple of track fittings for the side tracks, I have placed an order with the lighting manufactures and will have them sent direct to you.

Best wishes

Graham
