Dear Graham,

**Re: Work in progress – Exterior Lighting.**

Just a quick note to say how impressed I've been with the professionalism and level of service you've given the projects we've been working on. The clients at St. Mary Abbots in Kensington and St. Alfege's in Greenwich have been delighted with your work. Your level and commitment and your teams installations on these projects is the source of much delight to ourselves and our clients.

I look forward to the lighting of Southwark Cathedral in due course and indeed projects in the future.

Many thanks for all your hard work it is very much appreciated.

With kind regards,

Theo Paradise
